

Metal Beds

Guarantee: 5 Year

Avante

A MATTRESS OF PURE LUXURY

The Erika (white) and Brodie (black) beds are Avante Australia's commercial quality metal framed beds made from 1.7 guage powder coated steel. They are suitable for not only the rigours of a teenagers bedroom, but also mining camps, hotel and backpacker accommodation. They are finished with a quality powder coating and come packaged in one convenient carton for ease of transport.

*Available in the following sizes:
Single, King Single, Double, Queen*
